PROFESSIONAL EXPERIENCE

Creative Director & Lead Videographer — Princedeshooter Media — 2019 — Present · Lagos, Nigeria

- Direct end-to-end creative production for luxury real estate and lifestyle clients, owning concept development, shoot direction, editing, and final client delivery.
- Serve as lead creative partner to Sujimoto Holdings, producing cinematic campaign films and AI-generated visual content for flagship developments including Lucrezia.
- Operate drone cinematography and photogrammetry workflows (DJI Mavic 3 □ Luma AI □ Spline) to deliver aerial surveys and 3D visualizations for waterfront and architectural developments.
- Built an AI-assisted production pipeline (Runway, Higgsfield, ElevenLabs, Suno) that compresses traditional post-production timelines while maintaining cinematic quality.
- Manage full client lifecycle personally. Quotations, creative briefs, production scheduling, and delivery across concurrent projects for developers, hospitality brands, and entertainment clients.

Freelance Creative Director & Videographer — Commercial & Nightlife Clients — 2019 — Present · Lagos, Nigeria
